

17th International Conference on Precision Engineering (ICPE 2018)

Nov. 12(Mon.) - 16(Fri.) , 2018, Kamakura, Japan

Organized by The Japan Society for Precision Engineering

About Conference

The 17th International Conference on Precision Engineering will be organized by the Japan Society for Precision Engineering (JSPE) on 12-16 November 2018 in Kamakura, Japan. The conference will be held at Kamakura Prince Hotel located right off the shore of famous Shonan area.

The aim is to provide an international forum for experts to promote, share, and discuss various issues and developments in the field of the precision and related engineering.

Abstract Submission

Paper abstracts to ICPE 2018 should be submitted by March 24, 2018 through the conference website. The following information is required to submit papers; paper title, authors' names, affiliations, email address of the corresponding author, 3-5 keywords, and abstract of the paper. The abstract should stand alone, summarize the entire paper, and be between 100-200 words in length. Each submitted abstract will be reviewed by the program committee.

Publication *-Tentative-*

Authors of accepted abstracts can submit papers to ICPE 2018. Papers should be written in English and 2 or 4-8 pages with text, figures, tables and references. Each submitted paper will be reviewed by two reviewers again. All accepted papers will be published as the ICPE 2018 proceedings.

Authors of accepted papers are welcome to submit their papers or extended versions to Journal of the Japan Society for Precision Engineering*¹. Those papers will be considered as the first track for peer-review and publication.

All papers can also be submitted to PE (Precision Engineering)*² or IJAT (International Journal of Automation Technology)*³, but subject to the acceptance criteria of each Journal.
